

EVACUATION MEETING LOCATION

DRILLS AND REVIEW

The building will conduct a yearly Evacuation Drill , to be informed of 2 weeks in advance.

It is recommended that we also go over our procedures periodically

Floor wardens should review procedures once a month

Emergency phone contacts are posted on the notice board and will be updated by the Bellevue Office Manager

Map Key:

Fire Exit 

Extinguisher 

* Note: all building maglocks will disable during true evacuations
